

Pour Over at Home - V60

Collectivo[®] COFFEE

1 Pre-heat the cone and mug, including filter (with water near boiling (195-205)) & discard water

2 Add freshly ground coffee (medium drip)

3 Pour enough hot water to evenly saturate all grounds

4 Allow coffee to "bloom" for 30-45 seconds

5 Gradually pour the rest of the water over the coffee in a slow, circular motion

6 Allow water to drip fully

7 ENJOY!
