Re: Additional Duty on Imports of Steel Articles from Turkey

Dear Valued Client,

On August 10, a Presidential Proclamation was issued regarding steel articles covered by Section 232 from Turkey. Steel articles imported from Turkey are subject to an ad valorem duty rate of 50% effective August 13, 2018. The increased rate of duty is applicable to goods entered for consumption or withdrawn from a warehouse for consumption. Importers are to include the classification "9903.80.02 (50% ad valorem duty rate for products of iron and steel that are the product of Turkey)" in addition to the regular Chapter 72 or 73 classifications.

For more information, please refer to the CSMS message from Customs and Border Protection:
