SUBMITTAL INFORMATION

Pursuant to the definitions in the City of Kimball Zoning Ordinance and regulations of Article 11, Chapter 11-305.3 – 11.305.12 of the City of Kimball Zoning Ordinance, describe the number, size and nature of the animals or fowl intended to be kept on the above premises.

What is the lot size (sq. ft.) of the premises? _____

For livestock requests, indicate the square feet of the lot that is available for forage: _____

On a separate sheet:

- Describe the facilities/structures and location where the animals/fowl are to be kept (e.g. corrals, pens, hutches, etc.)
- Attach a sketch site plan of the premises showing all existing buildings (e.g. house, detached garage, etc.)
- Describe the sanitation plan by which the premises will be clean of animal waste. Waste cannot be allowed to wash into any drainage facility (e.g. ditch) that will pollute water.
- Attach a name and address list of all adjacent property owners which will be used to mail notices of the public hearing on this request. "Adjacent" means all lots or portions thereof that are within 300 feet of any property line of your lot, including any property across any street. This certified list can be obtained from the Kimball County Assessor.

SIGNATURE

I hereby certify that I have had an opportunity to read the regulations of Article 11, 11-305.3 – 11.205.12 as they pertain to this application and that I understand them, that all the above information is true and correct to the best of my knowledge, that I am the owner of the property in question, and I hereby request that a public hearing be scheduled on this request. My check for the application fee is attached.
