

# KETTLEBELL RACK

## PRODUCT FEATURES

- 3 Tier Kettlebell Rack designed to fit all flat bottom Kettlebells. Trays increase in width from top to bottom.
- Our unique rubber tray linings prevents scratching and denting to the trays to keep the rack looking brand new.
- Each Tray is designed to hold up to 150lbs, total max weight of 450lbs
- KETTLEBELLS NOT INCLUDED\*\*\*

### DURABILITY & WARRANTY

All Kettlebell Racks have a one year warranty against all factory defects. Please consult your salesman for more warranty information.
