

WOOD BOX PLYO

PRODUCT FEATURES

3-in-1 Design:

The Wood Plyo Box is adaptable to users of any height and athletic ability. Using a non-slip service, the box can be turned to 20", 24", or 30" height or 12", 16", or 18".

Safety and Accessibility:

The Wood Plyo Box has interior support panels for increased integrity. All panels have been sanded down and the edges have been rounded to extra precaution. Handles are placed on both sides for easy accessibility and makes the boxes easily portable

DURABILITY & WARRANTY

Wood Plyo Box has a 12 month warranty for all out of box damage.
