

Raylo Cookies Policy

Our website <https://www.raylo.com> and all subdomains (the “Site”) uses cookies to distinguish you from other users of our Site. This helps us to provide you with a good experience when you browse our Site and also allows us to improve our Site. By continuing to browse the Site, you are agreeing to our use of cookies.

1. What are cookies?

Cookies are text files containing small amounts of information that are transferred and stored to your device when you visit a website. Cookies are then sent back to the originating website on each subsequent visit, or to another website that recognises that cookie. Cookies are useful because they allow a website to recognise a user’s device and to remember a user’s actions and preferences over a period of time.

Information is collected and used by us in accordance with the terms of this Cookie Policy and our [Privacy Policy](#).

2. How we use cookies

We use the following cookies:

- Strictly necessary cookies. These are cookies that are essential for the operation of our Site. We do not require your consent to set these cookies on your device as our website cannot function properly without them.
- Analytical/performance cookies. These allow us to recognise and count the number of visitors and to see how visitors move around our Site when they are using it. This helps us to improve the way our Site works, for example, by ensuring that users are finding what they are looking for easily.
- Functionality cookies. These are used to recognise you when you return to our Site. This enables us to personalise our content for you, and remember your preferences (for example, your choice of language or region).
- Please note that third parties (including, for example, providers of external services like web traffic analysis services) may also use cookies, over which we have no control.

3. How you can manage your cookie preferences

You can block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you

use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our site.

4. Contact us

If you have any questions regarding this Cookie Policy or our use of cookies, please contact us here: Raylo Group Limited, 5 New Street Square, London, EC4A 3TW or via email at help@raylo.com
