

# W.O.R.K. Pledge™

Voter,

The purpose of the Serve the People Foundation is to create tools for voters to use to re-assert leadership by the people. So far, these tools are in the form of pledges that any voter can send to his or her candidate prior to the election.

To that end, we've prepared this simple kit to help you approach congressional candidates about signing the WORK Pledge. The WORK Pledge is designed to work against the Culture of Contempt that has paralyzed our government and identify candidates who have pledged to uphold its four principles: **Warmth, Oneness, Respect and Kindness.**

In this signature kit you'll find three other documents: a copy of the WORK Pledge for House of Representatives candidates, a copy of the WORK Pledge for Senate candidates, and an explanatory letter for the candidate.

## It's as easy as 1, 2, 3!

1

First, you connect with the congressional candidate of your choice. If you are working with a candidate for the House of Representatives, you can find out what congressional district you're in here: <https://www.census.gov/mycd/>. Maybe you attend a meet and greet, visit a campaign rally, or simply write them an email letting them know you're a voter in their district or state who wants Congress to start working for the people as opposed to themselves.

2

Next, fill out the explanatory letter and the appropriate copy of the WORK Pledge. Then send both documents to your candidate's campaign. You can either physically mail the documents or send them electronically using <https://smallpdf.com/sign-pdf>. If you plan to meet with your candidate in person to present the pledge, remember to bring the explanatory letter along.

3

When your candidate signs and returns the WORK Pledge to you, make sure all of the fields are complete and email or mail the pledge back to us at:

[Contact@TermLimitPledge.org](mailto:Contact@TermLimitPledge.org) OR P.O. Box 2369, Kirkland, WA 98083

It's that simple!

If you have any questions please feel free to reach out and contact us via email [Contact@TermLimitPledge.org](mailto:Contact@TermLimitPledge.org) or by phone at (425) 658-3470.

Dear Candidate,

I am contacting you, as a voter, to ask you to sign the **“WORK Pledge”** (see attached pledge). This pledge is a tool that refreshes voters’ control over the government and transforms their current feelings of disempowerment, cynicism, and apathy into **HOPE**.

Congress has been stuck in a Culture of Contempt. Republicans and Democrats feel, and express, bitterness and contempt for members of the opposing party. Both parties refuse to come together to craft compromises that address our most pressing national problems. Our representatives are our servants. They have failed to do their job. They have failed to WORK for the American people. **This is a massive failure!**

The **WORK Pledge** is designed to work against the Culture of Contempt that has paralyzed our government and identify candidates who have pledged to uphold its four principles: **Warmth, Oneness, Respect and Kindness**.

**W**armth – We disagree, but I will reach out to you in friendship.

**O**neness – We disagree, but we are all one people – Americans.

**R**espect – We disagree, but I will treat you with Respect.

**K**indness – We disagree, but I will treat you with Kindness.

If you want to be in Congress and serve the people rather than yourself, **sign the WORK Pledge**. You will be giving us—*the voters*—evidence that, if elected, you will enter the broken system that is Congress as part of the solution.

If you want to join our cause, please return the completed pledge to me. I will sign it, as voter/sponsor, and return it to TermLimitPledge.org where it will be publicized on their website and on social media. Of course, you should keep a copy to use in your campaign.

**TermLimitPledge.org will contact you or your staff to authenticate your pledge before publicizing.**

Sincerely,
