

## **Indiana Podiatry Group Joins Upperline Health**

Nashville, Tenn., November 2, 2020 -- Upperline Health, leader in lower-extremity care, has partnered with Indiana Podiatry Group, a 6 clinic group serving the greater Indianapolis area. Scott Schulman, DPM, Walter Warren, DPM, CPed and 2 associates will be joining the Upperline Health team through the partnership.

“We are excited to add Indiana Podiatry Group to Upperline Health,” said Michael King, DPM, Chief Medical Officer at Upperline Health. “Our growth into Indiana will help Upperline Health continue to serve even more patients in need of lower extremity care.”

“Our merger with Upperline Health will allow us to provide quality care at a lower cost to our patients and the healthcare system by employing best practices,” said Warren. “We will now be able to offer better care at better prices through our expanded network of providers and by incorporating early detection of diseases via protocols and the use of advanced technology.”

In addition to Drs. Schulman and Warren, Indiana Podiatry Group includes the following associate physicians: Scott Kilberg, DPM and Brandon Baker, DPM.

### **About Indiana Podiatry Group**

Indiana Podiatry Group is dedicated to the compassionate and gentle care of all foot and ankle disease & injuries in Indianapolis. The mission is to provide patients with comprehensive, effective and compassionate care.

### **About Upperline Health**
