

FUSION PRIZE PROPOSAL OUTLINE

Please complete in size 11 font minimum and adhere to the word limit.

1. Your Team

Team Name: _____

Lead Contact Full Name: _____

Lead Contact Address: _____

Lead Contact Phone: _____

Lead Contact Email: _____

All other team members' full names, addresses, phone numbers and email addresses (300 words):

Are your team or its members involved with organisations of any kind, e.g. charities, companies, HEIs, schools, colleges, voluntary organisations or community groups? Please include their names. (200 words)

2. Your solution

Name of your idea: _____

What is your 'elevator pitch'? Describe your idea in two or three sentences. (200 words)

How will your idea address the challenge/support the development of fusion skills? (300 words)

What is exciting about your idea? What makes it different? (300 words)

How developed is your idea? For example, have you tested it? How much time or money have you already invested in developing it? (300 words)

*There is no requirement for you to have invested financially in your idea already.

Why is your team uniquely placed to deliver this solution? What existing resources, partners, assets or experience are you able to draw upon? (400 words)

If you were successful, how would you use the £50,000 prize? This should be in the form of a headline budget. (300 words)

Please tick this box to confirm that you have read the Fusion Prize Intellectual Property Policy

Please tick this box to confirm that the intellectual property (IP) behind the idea belongs to you

If you are not the owner of the IP, please tick this box to confirm that you have obtained consent from the owner of the IP

3. The impact of your solution

Which group(s) of young people will benefit from your idea? The beneficiaries of your proposed solution must be 'young Londoners', by which we mean children or young adults aged 3-25. (200 words)

Besides young people, which other groups or organisations might benefit, and how?
For example: schools, businesses, HEIs, cultural organisations, charities, local authorities, others. (300 words)

What are the anticipated outputs of your idea (i.e. what will you produce or deliver as a result of your pilot?) (300 words)

What are the anticipated outcomes of your idea (i.e. what differences will it make for the beneficiaries?) (200 words)

Besides funding, what kind of support and resources will you need to develop your idea further?

Please describe this in as much detail as possible, e.g. if you'd like to be connected with a financial expert to assist you in budgeting, or a teacher to provide advice on working with students, we will endeavour to facilitate this. (300 words)
