

MAMMA ALWAYS TOLD ME

Mamma Always Told Me

Son walk the streets with your head held high
You have no limitations if you want to you can fly
Success does not come to those who sit down and wait
If you don't knock no one will open the gate

Mamma Always Told Me

Put God first in everything you do
Believe in yourself and your dreams will come true
Some will try to hold you down
Never regret your skin is brown

Mamma Always Told Me

The road of life is rough and oh so long
When you fall down pick yourself up and carry on
Respect your parents and elders so your days may be long
When you have children of your own, sing to them this song

Mamma Always Told Me

If you play with puppy, one day dawg lick ya mouth
No matter how hard the problem you can work it out

Mamma Always Told Me

Put a little by for a rainy day
Remember what you sew shall be your pay
There's a time to work and a time to play
Bend the tree while its young so when it's older it won't go astray

Mamma Always Told Me

When Turkey foot bruk it keep company with fowl
Try to see everything around you just like the owl

Mamma Always Told Me

You'll never miss the water till the well runs dry
And just because you're a man
it doesn't mean you can't cry
In the Classroom of life don't be afraid to pose the question WHY
There is no such thing as failure
As long as you make up your mind to try

Mamma Always Told Me

A pickney who doesn't heed to their mother
Will have to drink pepper, Lime Juice and salt
You will not be judged by your words
But by the content of your heart

Mamma Always Told Me
