

Winter holidays are feeling a little different this year and we can't easily get to our usual destinations to celebrate. So Museum of London and Tea Dance for Little People have produced a virtual family adventure for you full of story, film and activities you can do from the comfort of your own home.

Take a journey back to 1834 in Victorian Times. It was hard work back then on the docks of the Thames. Towards Christmas time you had to work extra hard to earn a few extra shillings, especially if you wanted to purchase Christmas dinner for your family!

Take part in a playful adventure here, full of story, craft, silly dancing, carol singing and of course working hard at the Docks to earn a few extra shillings to get that **Turkey** on the **Table** and that **Pudding** on a **Plate**.

How to Use:

Follow the story map and do as many activities as you like. The activities are linked, so **1** on the story map is linked to **1** activity sheets.

For extra fun and story, link to the Museum of London adventure where you can watch and listen to short stories and songs linked to your story map.

What's in your Pack:

Alongside your **Story Map** and **Activity Sheets** you have **craft paper** and **accessories** to complete some of the activities. Other activities ask you to hunt around your house to complete them. If you don't have exactly what it says, try and think of an alternative that is similar. For example if you don't have a potato, what other vegetable or fruit or object could you use?

Have fun! and don't forget to share your favourite moments and creations with us:

send us an email to info@culturemile.london or post your picture on social media. Remember to tag us and use **#culturemile**

Disclaimer:

Some activities involve hunting for ingredients or objects for games you may have at home. Always check it is safe (ie. not climbing too high, looking in the wrong cupboard with breakable things). Please check with an adult before you use your Christmas dinner to make art! Some items in the playpack are small. Please supervise young children with craft activities.

1. WORKING AT THE DOCKS

MAKE A VICTORIAN SHOP BOX

WHAT YOU WILL NEED: A cardboard box, the bigger the better. Scissors, tape, marker pen, pencil. Go hunting in your recycling box for paper, foil, toilet roll tubes, egg boxes, bubble wrap.

1. Draw and cut windows and door. To make it easier collapse the box to cut. Push a pencil through to make first hole then using scissors is easier. Use red paper to add some colour.

2. Make your shop a sign. Write straight on or make one on a separate piece of cardboard. It's nice for a shop to have a sign. What will you call it?

3. To make your shelf, cut the lid from an egg box. Cut off the "spikes" sticking up from the base and tape or glue it under your window.

4. Make little turkeys, Christmas puddings and potatoes to sell from your shelf.

5. Make it snow by adding cotton wool, bubble wrap or tissue paper to your shop.

A VICTORIAN CHRISTMAS FAMILY ADVENTURE

ADD LANTERNS

1. Cut a section of toilet roll tube, squash it flat one way, then the other way to make a square. Then cut out 4 sections and colour it in.

2. To make a top and bottom cut and glue a square card. Make a flame to put inside from a chocolate wrapper or tissue paper.

3. Glue or tape your lanterns to your shop. Draw in stands with a marker pen. Add a battery light if you have one.

ADD A WREATH FOR YOUR DOOR

1. Cut the rim from a mince pie or tart holder. Overlap the ends to make a circle and tape it together, making sure it is the right size for your door.

2. Cut a 15mm strip of paper, fold it in half lengthways then cut little slits all the way to make a fringe effect. Be mindful not to cut all the way through.

3. Wrap the fringe around the silver circle. Cut a bow from a scrap of paper and stick it on. Add other decoration.

FOR LITTLE PEOPLE

2. BUSK FOR YOUR CHRISTMAS DINNER

WHAT YOU WILL NEED: A potato for your head. Go treasure hunting for fruit, vegetables and spices to "borrow" from the kitchen (ask for permission and say it can still be eaten afterwards).

1. For Santa use red pepper and raw onion, or similar veggies and fruit to cut into shapes. Cloves are good for faces. Use ends of tooth picks to help you keep your potato head features in place.

2. You can also create elves with smaller potatoes. Take a photo before you delicately put back for future cooking!

Busk Away!

What can you do with a pile of potatoes?

Pile them high? Juggle them?

3. POST FOR A GHOST

MAKE A SNOWFLAKE FOR YOUR CHRISTMAS PUDDING

WHAT YOU WILL NEED: white tissue paper, scissors, pencil. Find a small bowl to draw around.

1. Draw around your bowl to make a circle and cut it out. Fold your circle 3 times.

2. Cut triangles, semi circles and other shapes into your snowflake. To make patterns in the middle, do one extra fold in your snowflake.

3. Open it up and cut it in half. $\frac{1}{2}$ for your Christmas Pudding Christmas Card (activity 3) and $\frac{1}{2}$ for Deck the Halls (activity 6).

3. POST FOR A GHOST

MAKE A CHRISTMAS PUDDING CHRISTMAS CARD

WHAT YOU WILL NEED: A4 Christmas pudding card to fold, pre cut shilling, $\frac{1}{2}$ pre cut snowflake, brown foam, green felt, sticky tabs. A button, or a red paper circle for the cherry.

1. Place your shilling on your pudding. Cut out a gold plate and stick down with double sided tape (careful not to stick your shilling!). Put sticky tabs above your shilling.

2. Cut out the pudding from brown foam and stick down on the prepared sticky tabs. You can now lift the bottom of your pudding to reveal your shilling as a secret gift. Stick half a cut out snowflake for your pudding topping.

3. Cut out two green felt holly leaves and stick these with the red button or paper to decorate the pudding. Add gold stars and some text as a message to someone for Christmas. Put in an envelope and post.

5. ONE LAST JOB FOR THE COOK

CAN YOU HELP COOK GATHER SOME INGREDIENTS TO FINISH ALL HER ORDERS BEFORE CHRISTMAS?

1. CAN YOU FIND 3 CHRISTMASY INGREDIENTS AROUND YOUR HOME?

>> Could be some spices such as nutmeg, cloves, cinnamon or star anise.

>> Could be some Winter vegetables for a Christmas dinner such as potatoes, brussel sprouts, parsnips or carrots.

2. WHAT IS THE WEIRDEST INGREDIENT YOU CAN FIND IN YOUR CUPBOARDS?

We found some Old Men's Eyebrows at the Museum of London

3. HAVE YOU PLAYED OUR PARLOUR GAME: THE SMELLY MEMORY BURGLAR?

You can use the ingredients you found to help Cook for this game

YOU NEED: 6-20 objects you can find around your house, blindfold for each player, paper and pencil for each player

HOW TO PLAY: Hide your objects under a tea towel. Make sure you choose some smelly ones like different foods, spices, a smelly sock... Try to find weird and wonderful smells from all around your home. Blindfold your players and allow them to sit around in a circle.

1. SMELLY

Choose smelly objects and allow your player to take a whiff. Can they guess what it is?

2. MEMORY

Put all your objects in the middle of the circle of players. Allow them to remove their blindfold for 30 seconds - 1 minute. Cover the objects and then test player's memory by asking them to list everything, together as a group or individually with paper and pencil.

3. BURGLAR

Ask players to blindfold. Take away one object. Remove blindfolds and see who is first to guess what is missing.

6. DECK THE HALLS

MAKE A CHRISTMAS PUDDING

WHAT YOU WILL NEED: brown foam, $\frac{1}{2}$ precut snowflake, green felt, sticky tabs, ribbon, gold gems. Can you find a button, or cut out a circle of red paper, for your cherry on top?

1. Cut out two circles of brown foam. Place 5 sticky tabs around one piece of foam, including 1 for the hanging ribbon and attach it. Put 2 sticky foam tabs on the front of the 2nd foam.

2. Stick $\frac{1}{2}$ precut snowflake on the front (see 3. Post for a Ghost for how to make a snowflake). Cut 2 holly leaves from the green felt and find a button, or cut a red paper circle, to stick on for your cherry. Add gold sticky gems.

3. Hang it on your tree! You earned enough to purchase your Christmas Pudding, so let's celebrate!

6. DECK THE HALLS

MAKE A CHRISTMAS TURKEY

WHAT YOU WILL NEED: Red, orange and brown paper, sticky tabs, ribbon, red felt, gold paper, sticky gems. A small piece of any tape or a stapler.

1. Concertina fold all the paper. Use sticky tabs to stick them together and tape or staple the tail in the middle.

2. Stick the tail together at the top, with the ribbon in place with a sticky tab. Make a turkey head and body with foam, red felt, gold paper and sticky gems. Stick it to your fan tail with sticky tabs.
