

Hi my name is I am years old and I am a Young Leader.

I go to school in

If you are self-isolating, I'd like to help you.

I can:

- Collect your shopping
- Do some gardening for you
- Post some mail for you
- Deliver a meal or cake to you
(if you choose this, please tell us your dietary requirements)

My parent or teacher will be with me when I do this.

You can contact them on with your requests.

I am keeping safe by washing my hands regularly and keeping a good distance between myself and others.
