

NORTH COUNTRY WORKFORCE DEVELOPMENT BOARD

WIOA Dislocated Worker to Adult Fund Transfer Policy Adopted on January 13, 2023

The NCWDB Board of Directors understands that North Country contractors providing Adult and Dislocated Worker services in Clinton, Essex, Franklin, and Hamilton counties may, as allowed under the Workforce Innovation and Opportunity Act (WIOA), need to transfer funds from Title I - Dislocated Worker to Title I - Adult in order to continue serving North Country customers.

To ensure timeliness of the process, the regional NCWDB Board of Directors grants the NCWDB Executive Director the authority to transfer funds from the WIOA Title I Adult and Dislocated Worker titles as needed throughout the fiscal year.

Once the transfer of funds has been requested, the Executive Director will report the amount to the regional NCWDB members at its next meeting.
