INTERIOR (Interior Refurbished in 2018)

This stunning executive fourteen-fifteen (14/15) passenger platinum layout is perfect for personal and business trips alike.

A forward cabin bulkhead with a manual sliding pocket door separates a private enclosed forward crew rest and lavatory.

The forward galley is equipped with a touch-screen, high-temperature oven, espresso-type manual coffeemaker, stainless steel sink w/electric solenoid drain, ice & soda can drawers w/associated air chiller, crystal, china & flatware storage, electrical outlet, water heater & exhaust fan.

The interior offers a forward four (4) place wide club seating configuration appointed with recliner-style footrests, electric lumbar, seat pan levelers (left side & right-side seats), berthable/recline and swivel capability.

The mid-cabin includes a four (4) place conference group opposite a VIP seat with workstation.

The aft cabin is configured with dual aft three (3) place fully-berthable divans for sleeping.

The aft cabin includes an additional fully equipped lavatory with ample storage for glassware and fine china.

ABOUT JET EDGE PARTNERS

Jet Edge Partners is a full-service aircraft broker and dealer formed as a division of Jet Edge International. The aircraft sales experts at Jet Edge Partners work to understand the mission profiles, goals, and operational budget of our clientele to ensure they are linked with the best possible aircraft to meet their individual needs. The team is integrated in real time to the movements in the markets and are skilled in projecting future trends in the aviation industry. Throughout their careers, the Sales team at Jet Edge Partners have successfully completed aircraft transactions totaling hundreds of millions of dollars. With offices and sales professionals located throughout the United States, Jet Edge Partners provide clients with the knowledge and understanding of the market needed in order to purchase or sell an aircraft with confidence and unmatched customer service. Jet Edge Partners not only transacts aircraft, but alongside Jet Edge International, it operates, owns, and manages one of the largest fleets in the world, providing clients with operational knowledge and resources unmatched in the industry.
