## **INTERIOR** (Partial Interior Refurbished 2022)

This beautifully appointed cabin spaciously accommodates up to ten (10) passengers including a belted lav - travelling in style for both business or personal trips alike.

The full-service forward galley immediately welcomes passengers as they enter the cabin. A sliding solid bulkhead divider, stowing on the left-hand side next to the galley bar, offers privacy and soundproofing between the entryway and the passenger cabin.

In November of 2022, the interior we partially refurbished with new carpet, redyed cabin seats, recovered the divan, and recovered the headliner, window panels and PSU panels.

The forward cabin section features club seating with four (4) large executive club seats with pull out tables.

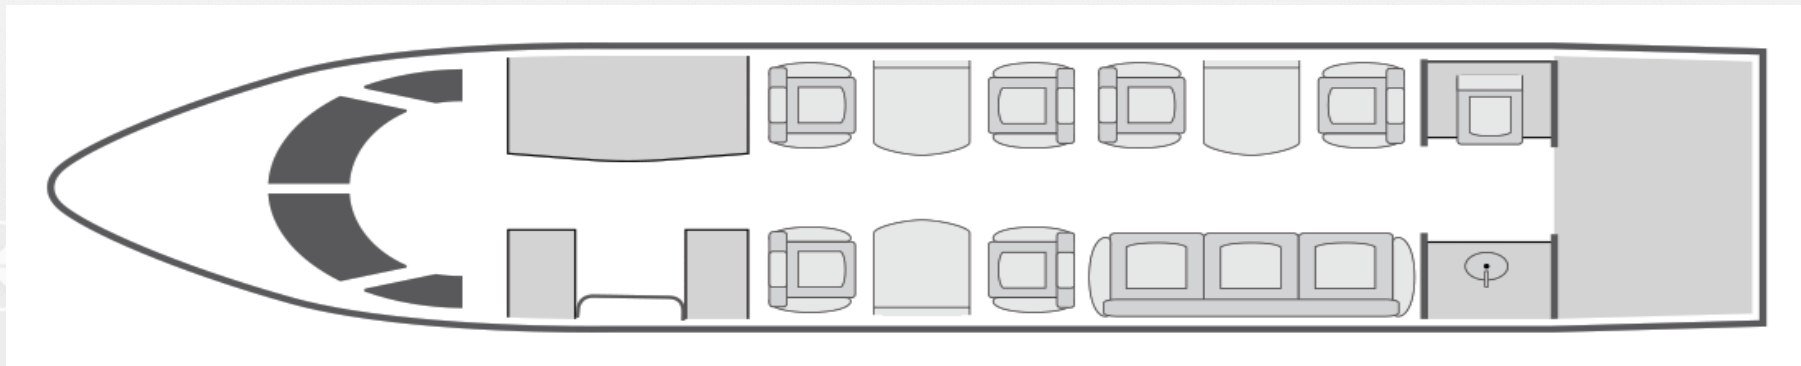

The aft section provides a three (3) place divan across from a two (2) place club arrangement and is completed with a large aft lavatory including a belted lav, vanity sink and ample storage for trip essentials.
