This competition is recognized by USDF for 2023

USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at www.usdf.org.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program. **Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

MORGAN DIVISION

Each owner, trainer, rider/driver/handler competing in an AMHA Regional Championship must be members of the American Morgan Horse Association or pay a non-member fee of \$45. Copies of Registration papers and membership cards must be submitted with entries. All horses participating in AMHA regional shows are required to pay a \$2 per horse Judge's Education Fee. Persons who are not in good standing with AMHECT, AMHA or any Regional Show may not participate in this show, whether as an exhibitor, owner, trainer or otherwise. This policy includes all horses registered in the name of any such person, whether leased or under contract for sale. Procedures have been established to resolve any disputes concerning accounts with AMHECT, AMHA or any Regional Show.

CARRIAGE DRIVING SECTION

Classes in this section may be divided for novice horses or drivers if entries warrant. See USEF Chapter Division CP (Carriage Pleasure Driving) Rules for class descriptions and judging specifications. If there is a driver change it is the driver's responsibility to notify the show office and obtain a separate entry number. Carriage competitors will compete for the Southern States High Point Carriage Horse title featuring the Carriage Driving Single Horse Champion Trophy. All Carriage classes listed in this section count toward this High Point Award and this award is tabulated automatically by the Show Secretary. Points are calculated based on USEF rules (SEE CP216). WESTERN DRESSAGE DIVISION

A USEF/WD rule change went into effect December 1, 2021, concerning the requirement for WDAA memberships at USEF-licensed shows offering western dressage classes. Previously, USEF WD rule 102 provided an exception for breed shows to require exhibitors, owners, and trainers to be members of Western Dressage Association at their shows that include a western dressage section or classes. This exception has been removed from the rule, which means that breed shows must now verify WDAA memberships for exhibitors, owners, and trainers. Non-member fees from individuals who are not members of WDAA must be paid at the show, including \$35 for adults and \$25 for juniors (junior members as defined by USEF Rule GR128), which are forwarded to WDAA after the show with a report of all fees collected. **Classes are open to all breeds and riders.** Please refer to the current USEF Rule Book Division Chapter WD (Western Dressage) for rules and regulations. High SCORE award will be presented to the horse with the highest scoring ride in each of the following: Intro, Basic, Level 1, Level 2 and Level 3. Horses enrolled in WDAA Horse Lifetime Points & Awards Program earn double points.

RANCH HORSE PLEASURE SECTION

- The purpose of Ranch Pleasure should reflect the versatility, attitude, and movement of a working horse. The horse's performance should simulate a horse working outside the confines of an arena and that of a working ranch horse. This class should show the horse's ability to work at a forward, working speed while under control of the rider. Light contact should be rewarded and the horse shall not be shown on a full drape of reins. The overall manners and responsiveness of the horse while performing the maneuver requirements and the horse's quality of movement are the primary considerations.
- Horses should NOT perform or be rewarded for performing gaits as they do in Western Pleasure. The horses are to be presented in a more forward-moving style than the typical Western Pleasure Horse. The horse and rider will be scored on movement, which is cadence and rhythm of gaits, smoothness and consistency in performance, along with how they perform the optional maneuvers.
- Each horse will work individually, performing both required and optional maneuvers, and scored on the basis of 0 to 100, with 70 denoting an average performance.
- The required maneuvers will include the walk, jog, and lope both directions; and the extended jog and extended lope going at least one direction; as well as stops, and a back. Optional maneuvers are side pass, turns of 360 degrees or more, change of lead (simple or flying), walk, jog or lope over a pole(s); or someone combination of maneuvers that would be reasonable for a ranch horse to perform.
- The overall cadence and performance of the gaits should be free-flowing and groundcovering at all gaits, with an emphasis on forward movement. Transitions should be performed where designated, with smoothness and responsiveness.
