Important information regarding coronavirus

Due to our London ceremony being co-located to the Safety & Health Expo, which has now been postponed until September, we have taken the decision to also move the ceremony to Tuesday, September 8. Given the latest Government advice, we have also taken the decision to postpone the Birmingham ceremony, at the Hilton Birmingham Metropole. We are working on confirming a new

date. We are also in close contact with the Doubletree by Hilton Hotel Glasgow Central about the ceremony there, but there are currently no planned changes to that event.

As an organisation committed to proportionate risk management, RoSPA is also following UK Government advice with regards to actions to prevent the spread of coronavirus. As part of our precautionary measures, we have updated the [Awards Gala Dinner Terms and Conditions](#) to reflect any issues presented by coronavirus, and we urge all winners and attendees to review them.

This is your official result notification and should be kept for your records.

Congratulations on your achievement!

Kind regards

Awards Team on behalf of
