CERTIFIED ORGANIC VINEYARD

## 2021 NSA Cabernet Sauvignon

COLUMBIA VALLEY | NO SULFITES ADDED (NSA) ORGANIC

### TASTING NOTES

This organic Cabernet Sauvignon boasts aromas of fresh fig and strawberry with hints of cranberry and a whiff of fresh tobacco leaf. Alongside bright and rich flavors of cranberries and blueberries on the palate there is the complexity of plum, walnut, cocoa, and dusty earth, giving it a nice mouthfeel that is balanced with medium fine tannins and a slight touch of acidity.

### WINEMAKER'S NOTES

All the components from this great Cabernet Sauvignon were harvested in mid to late October. All the lots were fermented in upright stainless-steel fermenters with PDM yeast. 100% malolactic fermentation was completed in upright stainless-steel tanks.
