

OCB014 ORGANIC YINGDE CHOICE

Organic Yingde Choice

Product Description

Organic Yingde Choice is a versatile tea that works well as a brisk iced tea or as an breakfast style hot tea with milk and sugar.

Black teas like organic Yingde Choice have mild caffeine levels and contain antioxidant polyphenols and l-theanine amino acids.

Contains caffeine. Allergen free. Non-GMO.

Origin

Organic Yingde Choice hails from Guangdong Province in southern China. Black teas have been cultivated there on a commercial scale since at least the 1960s, and Yingde black teas are considered one of the top 3 black teas of China.

On July 20, 2020, Yingde black tea was included on a list of Chinese products recognized by the EU in a joint agreement on geographical indication (GI) protection.

Tasting Notes

Yingde Choice gives a brisk, lightly puckery bite that makes it versatile as an iced tea and as an English Breakfast type of tea, while still delivering a floral and raisin-like sweetness. The color is bright, coppery and deep, displaying well in a tall glass or mixed with milk.
