

OCO008 JADE OOLONG

Product Description

Firsd Tea's **OCO008 Organic Jade Oolong** is a rolled wulong tea from Fujian Province. It is lightly oxidized and medium roasted. Oolong teas like Organic Jade Oolong have mild caffeine levels and contain antioxidant polyphenols and l-theanine amino acids.

Contains caffeine. Allergen free. Non-GMO.

OCO008

Cupping Information

Organic Jade Oolong steeps to a light golden liquor with soft floral aromas combined with toasted grain. The texture is lightly smooth, and the flavor combines roasted sweet character with a mild acidity. The aftertaste echoes a mellowed, warm, and woody sweetness.

Uses

- Popular as a cold brew tea
- Use in tea blends with peach, pear, lychee, and rose
- Craft brewers use 1-2 lbs per bbl in orange cream ales, and beers with more corn in the mash
