Experience

ArtCenter College of Design

January 2023 - Present

Adjunct Instructor, Interaction Design

Teaching and developing curriculum as an Adjunct Instructor in the IxD department. Working to help students develop a strong process, gain technical understanding, and develop a breadth of cultural knowledge.

Microsoft

October 2021 - Present

Product Designer

Designing and actively shipping exciting experiences for frontline workers. Helped create Updates in Microsoft Teams, an out-of-the-box app that saves people time and energy by helping them create, submit, and review all their updates, check-ins, and reports right in the flow of work.

INSEAD Executive Education

February 2020 - Present

Design Coach

Coaching executives in creative thinking, the design process, and user optimization for INSEAD's Design Thinking and Creativity for Business executive education course.

Microsoft

June 2020 - August 2020

Product Design Intern

Interned at the Cambridge Garage at Microsoft's New England Research and Development office working on Microsoft Teams.

Under Armour

August 2019 - September 2019

Apparel Designer, Sponsored Project

Designed apparel and footwear solutions for a collegiate, female Quidditch athlete in a two-week Under Armour sponsored project through the FAAS Studio and PENSOLE Design Academy.

Education

ArtCenter College of Design

August 2018 - August 2021

BS, Interaction Design & Business Minor & Social Innovation Minor

Graduated with honors. Received grant funding from VentureWell. Took a breadth of courses from the Interaction, Environmental, Product, and Graphics departments ranging from creative prototyping to spatial design.

California Institute of Technology (Caltech)

January 2021 - March 2021

Cross-Registered Student

Took BEM110 Venture Capital as a cross-registered student within CalTech's Business, Economics, and Management program. Worked alongside CalTech undergraduate and graduate students.

INSEAD

January 2020 - May 2020

Exchange Program

Selected amongst eight designers to study alongside MBA students at INSEAD Singapore. Courses included Customer Insight, New Business Model, Brand Management, Management of Services, Digital Social Media and Marketing Strategy, Creative Thinking, Introduction to Negotiations, Digital Entrepreneurship, and Product Management in a Digital World. Additionally, was part of the winning team at INSEAD's Startup Bootcamp.
