

10 How do I access the patient lists?

Ref: CORP-052-01

Task: Access the Current Patient and Previous Patient lists

Step 1

After login, the **Current Patients** screen appears as default. These are patients who are currently receiving care in the appropriate Trust/clinic and who are registered on the GDM-Health app.

Step 2

You can also access previous patients who have been looked after by the Trust and registered to use GDM-Health, by clicking the **Previous Patients** tab.
