

## STEMExplore Mentor Reflection

Reflect on the Virtual Careers Connection with STEMExplore. Which mentor(s) did you relate to the most?

---

---

In what ways did you relate to them?

---

---

---

How did they make you feel when you spoke with them?

---

---

---

What character traits do they have that you admire?

---

---

What are some character traits that you hope that other people will associate with you after interacting with you?

---

---

What are some actions that you can take while interacting with someone that will convey these character traits?
