US OurEcho Challenge Timeline

Mark your calendars!

December 4
2023

US OurEcho Challenge open for entries
Young leaders, ages 13-16, are eligible to submit their ideas! Students can work individually or submit as a team of up to 3 peers.

January - April

Tune in to a virtual session hosted by EarthEcho
Young leaders and educators have the opportunity to learn more about submitting a strong entry to the Challenge.

April 26
2024

US OurEcho Challenge entries close
Project entries must be received by or before 11:59 PM (ET) to qualify

Mid May

US finalist teams notified
Based on scoring, up to 10 finalist teams from the US will be identified and advance for a chance to win grant prizes.

May - June
2024

Development Period
The finalist teams will prepare a short video and final presentation of their proposed projects.

June 27
2024

Final Judging Event
Each finalist team will virtually meet with an expert panel of judges to answer questions about their proposed projects.

July 2
2024

US OurEcho Challenge Final Event
Finalist teams will virtually attend the OurEcho Challenge event where the winning teams will be announced.
