

## **Whalley Computer Associates (WCA) honored as one of the largest Technology Solution Providers in North America by CRN Magazine.**

Southwick, MA, May 28, 2020 – Whalley Computer Associates, *World Class Service, First Class Customer Experience*, announced today that CRN® a brand of The Channel Company, has named Whalley Computer Associates to its 2020 Solution Provider 500 list. Each year, CRN releases its list of top 500 solution providers, a ranking of the leading IT channel partner organizations across North America by revenue. CRN's Solution Provider 500 list serves as the industry's benchmark for recognizing the top-performing technology integrators, strategic service providers, and IT consultants, and as a valuable resource for technology customers and vendors looking to partner with top solution providers.

Whalley Computer Associates provides all of the products and services you would expect from a World Class Technology Solution Provider. While they have a very diverse customer base from small customers to numerous Fortune 100 companies in numerous industries, WCA is one of North America's leading Technology Solution Providers to Health Care, Retail, Finance, K-12 and Higher Education.

"All of us at Whalley Computer Associates are honored to be ranked on CRN's top 500 Solution Providers in North America. I am very proud that we have earned this honor for nearly 30 consecutive years and many of the employees that enabled this success have been with WCA for over 20 years" said Paul Whalley.

"CRN's Solution Provider 500 list showcases the top IT channel partner organizations across North America," said Bob Skelley, CEO of The Channel Company. "This year, companies on this list represent a combined revenue of \$393 billion, a data point that underscores the impact and influence these solution providers have on the IT industry. On behalf of The Channel

Company, I'd like to congratulate these companies for their outstanding contributions to the growth and success of our industry.”

### **About Whalley Computer Associates**
