

# After School Program

## 2023-2024 School Year

**Goal:** To provide a safe environment for students after school and assist parents with childcare

**Teacher:** Mrs. J Boehmer

**Days:** Tuesdays and Thursdays

**Hours:** 3:00 – 5:30 pm

**Snack**                      **3:00-3:15 pm**

Students will be seated by age groups

**Homework**                **3:20 – 3:55 pm**

Older kids at separate tables, younger kids by class

When older students finish, they can pair up with a younger student to help, or they can stay at their table to read or play a game quietly until everyone is done with homework.

**Structured Recess**        **4:00 pm until**

Older and younger students will be separated in the play areas.

If a student needs/wants more time to work on school assignments, this can be done during this time.

### **Expectations:**

Students will be respectful of the teacher and other students.

Students will follow the directive or instructions of the teacher at all times.

When student behavior is inappropriate, the student will receive a verbal warning from the teacher. If the behavior continues, the teacher will correct the behavior with consequences such as time out, loss of recess/privilege, or a parent notice.

Three parent notices sent home may result in the student not being able to participate in the After School Program for a designated period.
