

2019-2020 Preschool Registration

Building a Strong Foundation One Step at a Time

Our Preschool program is D.C.F.S licensed and N.A.E.Y.C. (National Association of the Education of Young Children) accredited. We offer a variety of classes to help encourage the growth and development of each child. Each age appropriate class builds on to the next providing children with the strong foundation needed to become successful life long learners.

Mini Preschool

For children who are too young to enroll in three year old preschool, this program will provide an opportunity to learn the routine of preschool, gain confidence, and develop independence. This program will provide a comfortable and positive beginning. Children need to be able to take care of their bathroom needs. Pull-ups are allowed until December for children who are in the process of potty training but need the reassurance of pull-ups. **NO DIAPERS!** Children must be 30 months by **September 1, 2019**. Proof of residency and birth certificate are necessary. Registration is taken at the Pat Shephard Center only.

Barcode	Facility	Days	Time	Fee
27134	MRC	MWF	9:15a -11:30a	\$1208.62/\$1548.12

Three-Year-Old Preschool Programs

- Children who will be three years old on or before September 1, 2019 are eligible for our three-year-old programs.
- Children must be able to take care of their own bathroom needs. No Pull-Ups unless specifically stated in individual descriptions.
- Children will be assigned a specific day and time to meet their teachers. Please refer to your child's preschool acceptance letter for your child's first day and beginning of the year important dates!

Four-Year-Old Preschool Programs

- Children who will be four years old on or before September 1, 2019 are eligible for our four-year-old programs.
- Children must be able to take care of their own bathroom needs.
- Children will be assigned a specific day and time to meet their teachers. Please refer to your child's preschool acceptance letter for your child's first day and beginning of the year important dates!
- Children enrolled in Kindergarten are not eligible for preschool.

3-Year Old Preschool Programs

3 Year Old Preschool

Our Preschool classrooms provide a nurturing environment for your child's first learning experience. Learning through play is a child's principal means of discovery. The InvestiGator Club™ curriculum allows the child the opportunity for scientific exploration, problem solving and dramatizations within the security of a child's play. Children will enhance their social and language skills and develop independence. Some of the curriculum goals include: following simple directions, colors, shapes and name recognition. This class emphasizes the development of coordination needed for jumping, catching, stacking, gluing, drawing and cutting.

English and Japanese Threes

Children fluent in either Japanese or English are welcome to register for this preschool class. In this play environment, your child will build social skills and develop independence. Following simple directions, colors, shapes, name recognition, developing small motor skills such as cutting and gluing, as well as large motor skills are some of our curriculum goals. Our caring teachers, one fluent in English and the other in Japanese, will promote many stimulating learning opportunities. Your child's preschool experience will be enriched when he/she attends this interactive class.

Barcode	Facility	Days	Time	Fee
27155	PSC	T/Th	9:00a-11:30a	\$955.65/\$1223.37

Those enrolled in the English/Japanese morning class may add this special class.

Be Active Be Healthy

Your child will have an hour for lunch, socialization and large motor skills in the Discovery Room at the CRC. When the 3's children return to the PSC, they will continue their afternoon with science and exploration. Each child should bring a healthy, peanut free lunch.

4-Year Old Preschool Programs

Pre-Kindergarten

Children will develop kindergarten readiness and self-confidence as they master our InvestiGator Club™. This curriculum appeals to your child's curiosity and sense of wonder. It challenges children to think, solve problems, communicate and investigate their world. Through play, children gain independence, acquire basic readiness skills in literacy, math, science, social studies, oral language, fine arts and music. Field trips throughout the year enhance the child's learning.

Pre-Kindergarten: the following options are available.

Bock Extended Day

Extend your Four year old Pre- K's day. Build on your preschoolers learning experience after their morning session. Your child will have an hour for lunch, play and socialize. Then they will return to their preschool class for an exciting afternoon of STEM (Science, Technology, Engineering & Math). You must register for both the morning and after sessions to take advantage of the extended time. Each child must bring their own healthy, peanut free lunch and a drink.

27145	Bock	MT ThF	11:30a-2:30a	\$2193.84/\$2799.72

English/Japanese Pre-Kindergarten

Children fluent in either Japanese or English are welcome to register for this preschool class. The teachers, one fluent in English and the other in Japanese, will focus on developing kindergarten readiness skills including English letters and letter sounds as well as numerals. Children will learn colors and shapes in both languages. The classroom teachers will provide class experiences rich in both American and Japanese customs. This is a great class for those Japanese children wishing to develop English language skills.

Barcode	Facility	Days	Time	Fee
27150	PSC	MWF	9:00a-11:30a	\$1343.45/\$1719.81

Those enrolled in the English/Japanese morning class may add this special class.

Be Active Be Healthy

Your child will have an hour for lunch, socialization and large motor skills in the Discovery Room at the CRC. When the 4's children return to the PSC, they will continue to enhance their pre-kindergarten skills. Each child should bring a healthy, peanut free lunch.
