- Direct link to schedules: <http://www.teamsideline.com/sites/parkfun/schedules>. Please note that this link will NOT WORK until the schedules have been emailed out to teams.
- Once the schedule is released, **RESCHEDULING REQUESTS WILL NOT BE ACCEPTED...** The Sport Center is a multi-use sports facility that is extremely busy during the winter months. There are few-to-no times open to re-schedule games outside of the times that our league games take place. You can have up to 20 players on your team roster. Please plan accordingly. If your club has players from a YOUNGER AGE DIVISION in our league, you are permitted to have those players play up on your team if short-handed.

FORFEIT PROCEDURE

- Please show courtesy to your opponent. If you must forfeit a game, do both of the following:
 - o Contact the Sport Center: (847) 891-1266 and provide the following info: Your team name, age division, game time, game date, field # of game, and name of opposing team.
 - o Email soccer@parkfun.com and dedvorak@parkfun.com and provide that info.
 - o Failure to do BOTH of these will result in a \$50 forfeit fee, which must be paid at least 48 hours before the team's next scheduled game.
- Teams that forfeit 3 games or more are subject to removal from the league.

ROSTERS

- Completed Player Rosters must be turned in to the Soccer Coordinator at least 15 minutes prior to the scheduled kickoff time of your team's first game. Teams are allowed to add players to

their official roster through the first 2 games of the season. After your team's third game, players may NOT be added. Please see the "Guest Players" section of the League Rulebook for guidelines on procedures for non-rostered players.

PLAYERS IDENTIFICATION

- it is the responsibility of the coach(s) to validate the age and eligibility of players on their team.
- At the start of the season, all players must "verify identity and eligibility" by producing the following items to league administrative staff at the front desk:
 - o 1) Current player pass from NISL, YSSL, or IWSL
 - o OR
 - o 2) Valid Photo ID AND Birth Certificate or other document that proves birthdate
- Once a player has been verified, we won't actively check these items every week, however, in case a team requests a roster check, coaches/team managers/players will be required to bring a copy of one of the following to EVERY GAME:
 - o 1) Current player pass from NISL, YSSL, or IWSL
 - o 2) Valid Photo ID

ROSTER CHECKS & ROSTER DISPUTES

- In the event a team believes an opposing team is fielding an ineligible player, the team captain/coach should notify the field supervisor/scorekeeper IMMEDIATELY. Any roster disputes must be made BEFORE HALFTIME. A ruling will be made on the field regarding the player's eligibility. A team fielding an ineligible player will result in his/her immediate ejection from the match, and the team will play with 6 players (including the goalkeeper) on the field the rest of the match. Should a roster dispute request be made, BOTH teams will be roster-checked as follows: All members of the team must present their player pass OR a photo ID (at the start of the game if it hasn't started, OR at halftime if the game has already started when the roster-check has been requested). The team's roster on file will be checked. Any players who are not on the roster or who do not meet the age requirement will be deemed ineligible, and will be sent off. (The team must play down one player the rest of the game).

FACILITY RULES

- Only coaches (up to 2 per team), and players are allowed on the fields/bench area.
- The Sport Center is equipped with "team rooms" (essentially a private locker room type area) for each team to keep their belongings, change, etc. All teams are encouraged to check out a team room key at the front desk upon arriving at the facility. (ONE ROOM PER TEAM)
- All spectators, children, parents, non-rostered players, etc must be in the spectator viewing area, and NOT on the field.
- NO BAGS, NO FOOD, NO GUM, NO BEVERAGES (besides water or sports drinks) allowed on field.
