Principal actors will have additional rehearsals. Your rehearsal schedule will be determined by the part you receive. Each actor needs to attend rehearsals to which he/she is called unless given prior permission to miss. Please note: All actors may not be cast in this performance.

- All conflicts must be listed above before auditioning. If you are not present at any rehearsal; during a time not on the conflict area above, it will be considered an unexcused absence. Two unexcused absences may result in you being removed from the show. Additionally, if there are too many conflicts - actors may not be cast. Absolutely no conflicts will be excused during tech week except for a mandatory school function. No refund will be given for any fees paid or tickets purchased if actor is removed from show.
- It is extremely important that every performer be at rehearsal when called. For the good of the show and out of respect for the performers and staff, we must know that we have your part covered. Attendance will be taken at every rehearsal. Any conflicts that arise must be emailed to bewaller@parkfun.com and be excused. Just sending an email does not excuse the actor.
