2022-2023 Preschool Registration

Building a Strong Foundation One Step at a Time

Our Preschool program is D.C.F.S licensed and N.A.E.Y.C. (National Association of the Education of Young Children) accredited. We offer a variety of classes to help encourage the growth and development of each child. Each age-appropriate class builds on to the next providing children with the strong foundation needed to become successful lifelong learners.

Proof of residency and birth certificate are necessary. Registration is taken at the Pat Shephard Center only.

3-Year-Old Preschool Programs

3-Year-Old Preschool

Our preschool classrooms provide a nurturing environment for your child's learning experience.

Learning through play is a child's principal means of discovery. The Creative Curriculum allows the child an opportunity for scientific exploration, problem solving and dramatizations within the security of a child's play. Children will enhance their social and language skills and develop independence. Some of the curriculum goals include: Introduction to the alphabet, numbers, following simple directions, colors, shapes and name recognition. Our program emphasizes the development of coordination needed for jumping, catching, stacking, gluing, drawing and cutting.

4-Year-Old Preschool Programs

Pre-Kindergarten

Children will develop kindergarten readiness and self-confidence as they master our Creative Curriculum. This curriculum appeals to your child's curiosity and sense of wonder. Creative Curriculum challenges children to think, solve problems, communicate and investigate their world. Through play, children gain independence, acquire basic readiness skills in literacy, math, science, social studies, oral language, fine arts and music. Field trips throughout the year enhance the child's learning.

Pre-Kindergarten: the following options are available.
