HOP Around Town

Welcome to Hop Around Town! Download the map and grab your thinking cap. You have March 19-27 to find all the parks and hidden bunnies to unscramble the letters and spell a special word. Read the clue, check the map and pick the park that best fits, then grab your family and get hunting!

- The name sounds like it should have a stream, but you can come play here and keep your shoes clean. At this park you can play tennis, pickleball, basketball, hop around an athletic field, as well as play on the playground!
- We LOVE keeping score and counting butterflies at this park near Meacham Road.
- Head to the East for this royal port!
- Hop on over to SPD's smallest swimming hole!
- This park has the same name as a great elementary school, but it's not located on the same block. Hop on over to this park and find a playground.
- Time to hop around this park named for a patriot and silversmith.
- Sling a bag over your shoulder and hop on over to the new playground at this heart-felt park.
- Bunnies like to celebrate this on the fourth of July too!
