She also announced that we have received half of our ARPA Fund; we will receive a total of \$347,620.00. We will take our time determining how to best invest this money into the Township. We have several ideas, but also have to follow the strict rules on how we are allowed to use these funds. Whatever we do, it will be done with Board consent. We have ordered the 3 lifts for the fire department with our Senior Millage funds and will be delivering them soon.

Trustee Foster; Linda and Peggy have been working on a Senior Tea, using some of our Senior Millage funds. A speaker from Safe Seniors will present, "Not Everyone is Your Friend". Refreshments and small crafts will also be available.
