

adfenix

TAILORED ADS

Designed for success

The right marketing can be make or break for your project.

With Adfenix tailored solutions, you'll get the right response, without the admin.

Key Benefits

Zero admin work

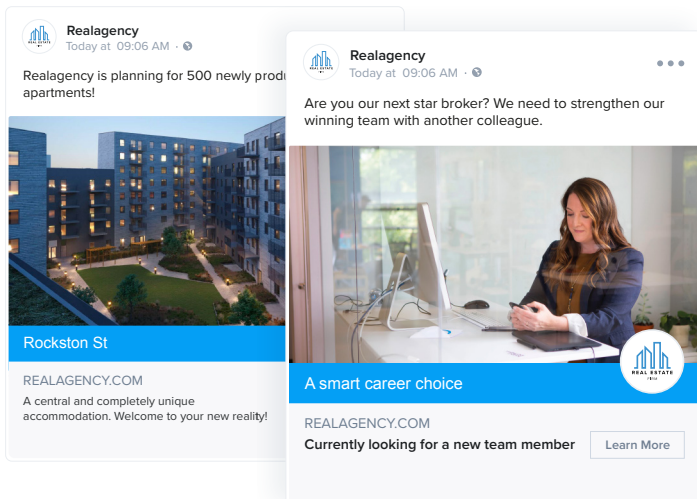

Leverage AI-driven hyper targeting to put your message in front of the right people.

Flexible messaging

Personalised campaign configuration helps you optimise effectiveness of your marketing activities.

More leads

Ongoing reporting for customised performance enhancement sustains lead-generation throughout your campaign.

Ideally suited for

- ✓ Recruitment campaigns
- ✓ Office campaigns
- ✓ New developments
- ✓ Property management campaigns
- ✓ Vendor appraisal campaigns
- ✓ Agent branding campaigns
