The Welding program at Florence-Darlington Technical College will provide skills that will enable the student to produce structurally sound and quality welds.

Employment opportunities are found in maintenance, construction, fabrication and their related fields. The median annual salary for an individual in the Pee Dee region that has a 2-year degree in welding is more than \$40,000.

## Courses by Semester

**1st Fall:** WLD 202 Introduction to Welding, WLD 103 Print Reading I, WLD 104 Gas Welding and Cutting, WLD 110 Welding Safety & Health

**1st Spring:** WLD 111 ARC Welding I, WLD 105 Print Reading II (must have taken WLD 103), WLD 201 Metallurgy

**2nd Fall:** WLD 113 ARC Welding II (must take WLD 111), WLD 140 Weld Testing

**2nd Spring:** WLD 134 Inert Gas Welding Non-Ferrous, WLD 160 Fabrication Welding

**Summer:** WLD 136 Advanced Inert Gas Welding, WLD 170 Qualification Welding
