### Practice Area

Labour Law

### Professional Background

Renata has a solid career in the labor area, working in litigation, consultancy and business, for multinational companies and law firms. She worked as a lawyer in renowned law firms, as well as in a major multinational in the food sector.

She has expertise in conducting actions for the administration of judicial liabilities, developing action plans and procedural pieces tailored to the client's strategy, and expertise in union relations, conducting and following collective bargaining and convention negotiations, aiming to defend and promote the client's interests.

### Education

Bachelor of Law from Universidade Presbiteriana Mackenzie.

Postgraduated in Business Law from Fundação Getúlio Vargas (FGV-SP).

Postgraduated in Labor Law and Process from Fundação Getúlio Vargas (FGV-SP).

Postgraduate in Digital Law from the Brazilian School of Law (EBRADI) - in course.
