

Hello and Merry Christmas PCS families!

We are wishing you a very Merry Christmas and that this break from school will be joy-filled, restful, and a celebration of God's plan for salvation through Jesus!

Attached to this email is a video link to our most recent update. Thanks for taking the time to view this. Today's video covers an internal update of COVID-19 numbers, a quick review of when to stay home, a reminder of school resuming on Wednesday, January 6th and a reading by some of our students of the Christmas story from Luke 2:1-20. We are so thankful for these first 74 consecutive days of in-person learning for our students! #Grateful.
