1. A separate form should be filled for each child.
2. The transport application for the child specified will remain valid for the child's entire attendance at the school in question. A further application will only have to be made if there is a change of residential address.
3. Completed form must be returned without delay to the school office.
4. Please note that in some instances it can take at least 2 working days to process an application form.
5. Transport passes are normally issued on the first day of the session. The pass must be returned to the school office if the pupil either ceases to travel or leaves the school.
6. Any queries about entitlement to transport should be made to the Transport incharge.

Conditions:

- > Students should be at the pickup point 5 minutes before the given time. So also in the evening please be at the drop point 5 minutes before the scheduled time.
- > Students of LKG to Class IV will be handed over only to authorised persons carrying the pick up permit card. In case parents/guardians/authorised persons are not there to surprise and take the child back home during the drop time, the child will be brought either to the school campus or City Office 7th Floor, Babukhan Millennium Centre, Somajiguda, Off Raj Bhavan Road, Hyderabad and it will be the parent's responsibility to collect the child on their own from the addresses as mentioned above
- > Students of classes V and above will be dropped off at their points even if there is no one to receive them.
- > Parents are responsible for supervising their children to/from their designated pick-up/drop point until they board or alight from the vehicle. This may involve crossing roads. School personnel will not assist children to crossroads.
- > Where as the running time is calculated to keep it to the minimum and it will be our endeavour to stick to the schedule, delays or diversions caused due to traffic congestions/road repairs will be inevitable.
- > If the residence of the child is inside the by-lanes where the school bus cannot pass, it is the responsibility of the parent to bring the child to the pick-up/drop point and avail the transport facility.
- > Neither the bus driver nor the bus security will be responsible to pick-up/drop the child at the door step of the child's residence.
- > Parents need to follow the time-table given by the transport authority and be available at the pick-up/drop point to supervise the child. In case of any delay the bus will not wait and the transport of the child to the school will be the responsibility of the parent.
- > Students are not allowed to change their pickup/drop points temporarily for any reason.
- > Should the residence address change mid-year please note that transport facility can continue only for the existing points. No new points /routes will be created.
- > It should be noted that in cases of extreme or persistent misbehavior, the School Authorities reserve the right to suspend transport facilities. School transport arrangements will then become the responsibility of the parents.

In applying for transport I accept and agree to the conditions stated above:
