

## linelube Motorbike Engine Oil Fully Synthetic 4 Stroke 10W-40

### Product Description

A fully synthetic four stroke motorbike engine oil, blended utilising fully synthetic base oils that offer excellent performance at high temperature and engine conditions. linelube Motorbike Engine Oil fully synthetic 4 Stroke 10W-40 has been developed for optimum performance and gives the ultimate protection on road and track applications.

### Features & Benefits

- Excellent oxidation and thermal stability.
- Excellent shear stability to prevent viscosity break down.
- Enhanced throttle response.
- Provides engine, gear and clutch protection under the most demanding of conditions.

### Applications

Designed for a variety of motorcycles including high performance bikes to deliver optimum power and protection in all conditions where JASO MA2 is recommended.

### Specifications

- JASO: MA, MA2
- API: SL

### Typical Test Data

ISO Viscosity Grade	166
Density @ 15°C	0.883
Kinematic Viscosity @ 40°C	83
Kinematic Viscosity @ 100°C	13.5
Pour Point (°C)	< -25
Flash Point (°C)	>200
