When the Second World War broke out in 1939, towns like Barrow nervouslv waited for the bombing to start: thev knew the shinvard

```
WHAT'S ON - ABOUT US * PROJECTS - FILM PRODUCTIONS VENUE -
```

Second World War Timeline up to the "Barrow Blitz", with extracts from Nella Last's Diaries. The prospect of war grew ever stronger throughout 1939, and by the end of August events came to a head.

31st August 1939

(1) Stories \& Images See more from the Barrow Bitz

- Hitier ordered the attack on Poland to begin.

The Royal Navy was mobilised; Army and Royal Air Force reserves also called up.

- Orders given to evacuate civilians from cities and towns, mostly schoolchildren. Over the next few days nearly three million people were relocated.

On the same day Nella Last, who was keeping a diary for the Mass Observation
Project, wrote (1): "The weather is stiil so oppressive - real crisis weather - and
