CAMP America

GOOD MATES. GREAT ADVENTURES.

If you have a friend who has done Camp America, you already know how much fun 9 weeks at summer camp can be. We are not just talking about colour wars, s'mores and Walmart runs. We are talking about belly laughs and finding your inner kid. It is blissful summers evenings shared with your new besties in front of the camp fire.

However Camp America is also about *making a difference*. It is those special moments when you have taught a lifelong skill, or had a camper ask if you will be back next year. It is about positively changing the lives of others while learning about yourself.

SO WHAT IS CAMP AMERICA?

You will spend 9 weeks working as a camp counsellor teaching a skill, sport or hobby to children aged 6-16 or acting in a support capacity.

DID WE MENTION TRAVEL?

One of the best things about doing Camp America is the chance to travel! Always wanted to visit Yankee Stadium or take a walk along Santa Monica Pier? You can do it with the friends you made at camp.

“
I SANG SONGS
TILL I HAD NO VOICE,
I RODE PONIES, I MUCKED STALLS,
I SAVED LIVES, I ATE ENOUGH
BURGERS AND HOTDOGS
TO LAST ME A LIFETIME, BUT
MOST OF ALL, I DISCOVERED
WHO AM.

Gap year, backpacking or working holiday?

Whatever name you choose, it means one thing; exploring the world while you work, learn and travel. By working side by side with locals, you receive an insight into daily life that can never be found on a tour bus.

If you are considering exploring the world then you want to make sure that you choose the right option. Real Bricks and mortar, a company that is more than just a website or a PO box. That's why you can rest easy when you choose one of our programs.

The American Institute for Foreign Study (AIFS) and Camp America have been sending Australians around the world for over 50 years. With offices in the UK, USA, Germany, Poland and Australia, plus partners in over 30 countries, you can rest easy that you are going with the trusted experts in cultural exchange.
