

Aiste Janciauskaite

20. May 2020

LOYALTY

Aiste has been freelancing for the last 1.5 years, before that she held a position for almost 3 years. She worked in different jobs when she was a student.

REMOTE FIT

Aiste has worked remotely for 3 years, the last 1,5 as a freelance. She has a very professional home office setup at her location in a major city in Sweden. Her English is outstanding.

FLEXIBILITY

Aiste has a background in medicine and she has worked with and studied in the medical field for many years. She has also held roles as sales associate, research, and promoter. The fact that she now is a graphic designer indicates someone that is flexible and can fit into many different fields.

GROWTH MINDSET

Self-evident with the fact that she transitioned from a doctor to become a designer. She likes to keep up to date with the latest trends within her

profession and learns on her own to use the tools needed for her profession.

CV/ONLINE PROFILES

Aistes LinkedIn profile is complete and comprehensive. It contains all her background information in a professional and structured manner. Her CV is very smart and professional.

VOLUNTEERING

Aistes has worked a volunteer on several occasions for shorter periods.

RECOMMENDATION

Her background in medicine combined with her design skills and ability makes her unique. She displays a great character in terms of being someone who works hard to achieve her goals and dreams.

Any startup in the field of health and medicine would benefit from having Aiste on the team doing work on design elements, or as an advisor in terms of medical knowledge and expressions. She speaks several languages fluently and would be an asset to businesses trying to navigate in the field of medicine.
