

Brian Mayote

20. May 2020

LOYALTY

Brian has been between 2-3 years in the companies he has worked for. He has worked continuously since 2009.

REMOTE FIT

Brian has worked remotely full time for the last 2 years. He has a professional home office setup in Manilla, Philippines. He speaks excellent English and communicates well on online platforms.

FLEXIBILITY

Brian is dedicated to his professional field, accounting. He has great experience as an analyst within fields such as Financial reporting, account, securities and has also worked with cryptocurrency.

GROWTH MINDSET

Brian is a self-learner and is highly motivated to expand his knowledge within the field of accounting and finance. He is currently developing his skills in SQL.

CV/ONLINE PROFILES

Brian has a clean and complete CV. His LinkedIn profile indicates that he is organized and structured/

VOLUNTEERING

Brian has not indicated any voluntary work.

RECOMMENDATION

Brian would go very well into any organization that is looking for a senior-level financial analyst, controller, or team leader. He has a track record of many years within his professional field and has worked for some of the world's biggest banks as well.

Banks and other financial institutions going remote would benefit from Brian's background.
