

# Mrunal Mody

12. May 2020

## LOYALTY

Mrunal has been loyal to most of the companies he has worked with. His average is more than 3 years per employer, and the longest is an engagement for more than 6 years.

## REMOTE FIT

He has worked remotely now for the last 4 years. He has a professional set up at his home office in Keller, Texas, US.

## FLEXIBILITY

Mrunal is a high-end consultant in his field, information technology. In that field, he has been consistent throughout his career and should be able to easily adapt to any role in that field. He especially excels to be a leader/manager. He is also a certified ScrumMaster.

## GROWTH MINDSET

Mrunal has been on a journey of learning for many years. He has attained a lot of skills throughout his career and is still learning. He did some courses in 2017 and is attending online courses today to stay on top of his field.

## CV/ONLINE PROFILES

His LinkedIn profile is very good with plenty of information about his background and details about his education. He has received 2 very good feedbacks from former colleagues. His CV is full of information and details of all the different skills he has and what he has done in his job.

## VOLUNTEERING

Mrunal has indicated 4 very interesting volunteer experiences.

## OUR FEEDBACK

I believe that Mrunal is a leader. He comes across as very confident and structured. He wants excellence for himself and for the people he works with.

His background and experience show someone who understands and appreciates hard work.

He would fit very well in a high-end remote team environment as a leader.

If you are a startup Mrunal could be an excellent fit as an advisor or leader as he is a certified ScrumMaster.
