

1 Log Into LaunchPad

On your school organization LaunchPad homepage, log in with your network username and password. **You MUST log in this way to link your Google Account.**

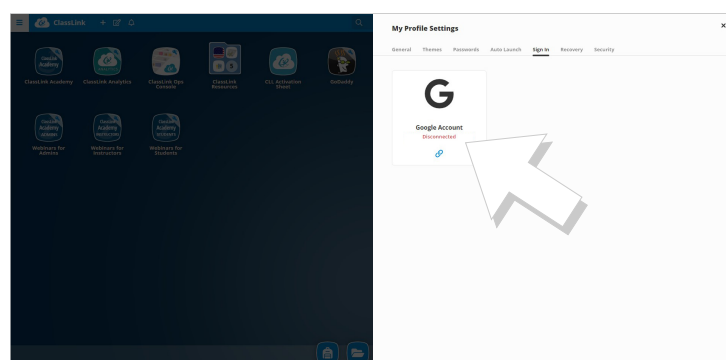

2 Profile Settings

When you log in, you will be at your MyApps LaunchPad. Click the avatar on the top-right of your LaunchPad and choose **"Settings"** to access your profile settings.

3 Connect Google

In the MyProfile Settings menu, click **"Sign In"**. Click the blue **Connect** button next to Google Account. Log in and allow access. If it says **"Connected"** in the box, your accounts are now linked.

4 Accounts Linked

Now that your Google account is linked to LaunchPad, you can log in using the **"Sign in with Google"** button on your LaunchPad homepage.
