Shri Rajesh Chand, Advocate for the petitioners.

Shri Samdarshi Tiwari, Government Advocate for the respondents/State.

Shri R.N. Singh, learned Senior Advocate for the respondent/  
NVDA.

Going by the reply filed by the respondents, we find no reason to entertain this Public Interest Litigation.

Counsel for the petitioners, however, prays for time to furnish specific material in detail, on the basis of which the petitioners would be able to substantiate the allegations of unilateral possession taken by the Authorities in respect of private land and/or construction carried out thereon, without following due procedure.

In absence of such material, it is not possible to undertake roving enquiry. That material be furnished within two weeks from today, failing which the petition be treated as dismissed for non-prosecution, without further reference to the Court.

Subject to above, petition be listed on 13.2.2014.
