

EYFS All About Me Summer Project

This year we are asking all our new children, with help from their families to make a poster telling us all about them. Posters can be as big as you like and as colourful and creative as you want!

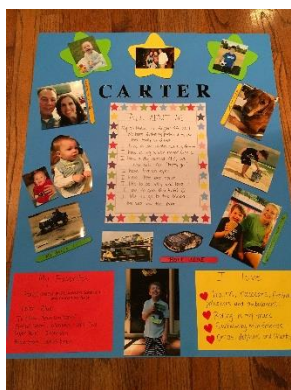

Your poster should tell us:

- Your name and a picture of yourself (this could be a photograph or drawn)
- About people who are important to you in your family
- About things you like
- About thing you don't like
- When your birthday is
- What is your favourite food is
- What your favourite toy is
- Who your friends are
- If you have any pets
- Favourite things you like to do
- And anything else you want to tell us

You may wish to draw, paint, add photographs, pictures from magazines, food packaging and write.

We hope to display your lovely posters in you new class room when you bring them into school. We look forward to seeing your fantastic posters and finding out lots about you!

Below are some examples and ideas of what your poster may look like.

Have a fantastic summer and we look forward to seeing you all in September!
