

# Information Sheet Tankered Waste

D-tox have over 27 years experience in portable sanitation and liquid waste collection from sites.

We are fully licensed waste brokers so you can rest assured your waste will be disposed of correctly.

We have a fleet of tankers ranging in size so whatever the job we can cope.

All our vehicles can also deliver non-potable water and our drivers are trained in the National Sanitation Qualification (NSQ), the only industry specific Health & Safety training in the UK.

## Services

- Wet waste removal up to 3000 Gallons per visit
- Plastic effluent tank hire- any volume available
- Water bowser and on demand pump hire
- Grey waste tanks for events and emptying
- Registered Waste Broker
- Non-potable water delivery
- Welfare unit servicing
- All drivers NSQ trained
- Portable Sanitation Europe member (the trade association for portable sanitation suppliers).

We are able to empty septic tanks, cesspits, sewage treatment plants, captured waste tanks and many others.

With investment in specialist software we provide electronic proof of service for every job and these feature pictures, signature capture and Geo location. We can guarantee every job will be completed as requested.

You will also receive a legally required waste transfer note via email immediately on completion of the job.
