

ANNOUNCING A BETTER ALMOND MILK!

Love the way your shake tastes? It's probably because of the perfect Almond Milk base!

Introducing NEW swiig Powdered Almond Milk - chock-full of vital nutrients like calcium, iron and potassium, plus 5g plant-based protein per serving and NO saturated fat or added sugar! It's more nutrient-dense than conventional Almond Milks, and did we mention?...it's 100% vegan-friendly, Earth-friendly and delicious.

swiig Powdered Almond Milk is the space-saving and low-waste alternative to traditional milk containers - simply mix the shelf-stable powder with water to get the perfect base for all of your favorite shakes and smoothies. It's also Infinitely Good for baking, camping, traveling or emergencies. Now you can always have Infinite Goodness ready on-demand!
