**ACCREDITATION AND DESIGNATION STATEMENT**

This live activity is jointly sponsored by The American Thoracic Society and New York State Thoracic Society. This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the American Thoracic Society and New York State Thoracic Society. The American Thoracic Society is accredited by the ACCME to provide continuing medical education for physicians. The American Thoracic Society designates this live activity for a maximum of 11.75 *AMA PRA Category 1 Credit(s)*<sup>TM</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The New York State Thoracic Society (NYSTS) is a State Chapter of the American Thoracic Society. Formerly called the New York State Trudeau Society, NYSTS is named after Edward Livingston Trudeau (1845-1915) for whom a lecture-ship at this annual meeting is named. The first American Investigator to culture the tubercle bacillus, the causative agent for tuberculosis, he founded Adirondack Cottage Sanitarium at Saranac Lake, NY in 1884 based on his own open air cure of tuberculosis.
