TORAH INSIGHTS

Parshat Nitzavim-Vayeilech

The Parshah of Nitzavim includes some of the most fundamental principles of the Jewish faith: The unity of Israel, the future redemption, the practicality of the Torah and that it is reachable to all of us and the concept of freedom of choice.

The Parshah of Vayeilech recounts the events of Moshe's last day of life. He transfers the leadership to Joshua, and writes (or concludes writing) the Torah in a scroll which he entrusts to the Levites for safekeeping.

The mitzvah of Hakhel is given: every seven years, during the festival of Sukkot of the first year of the Shemitta cycle, the entire people of Israel—men, women and children—should gather at the Holy Temple in Jerusalem, where the king should read to them from the Torah.

NURSERY SCHOOL

A WORD FROM OUR PRINCIPAL MORAH SHIRA

Dear Parents

The sun is shining and our school is a hive of activity as we are preparing for Rosh Hashanah. The classrooms are filled with colourful works of art and the children can't wait to show you their Rosh Hashanah activities.

It has been an incredible blessing being able to open the school while educating those at home just before this holy time of year. Being able to share all the Rosh Hashanah songs and discussions with the children and bring the Chag to life is a true gift for our children.

We have been advised that disposable and non disposable water bottles may be brought to school. If you choose to bring a non disposable bottle please make sure to wash it thoroughly at home daily.

This coming week will be the last week of our Afternoon Activity program. A big thank you to our teachers and Kiki Farber for doing their day in the week and keeping the children occupied in the afternoons.

Wishing everyone a Shabbat Shalom

Regards

Morah Shira

PRIMARY SCHOOL

A WORD FROM OUR PRIMARY SCHOOL PRINCIPAL

Dear Parents,

One of the most anticipated aspects of Rosh Hashanah is undeniably all of the delicious, sweet foods that we eat symbolising the hope for a sweet and happy year ahead. One of the most recognisable foods is apple and honey, a traditional combination that has passed down the generations for centuries. The honey symbolises the excitement for a sweet New Year ahead. A year of new beginnings.

Honey serves as an image throughout the Torah. In Shir Hashirim, Song of Songs, Chapter 4 Verse 11, it states: "The sweetness of Torah drips from your lips, like honey and milk it lies under your tongue."

This week, the Grade 2's received their first Chumash. What an auspicious celebration as they embark on their formal Torah learning journey. The words of the Torah are compared to being as sweet as honey. May the words of the Torah always be like honey that drips from their lips. Sweet and flowing.

Thank you to Rabbi Treger for his inspiring words in last week's Elul talk. It is always so wonderful to listen to your words of inspiration.

The Grade 4's have been very busy constructing a dog pen for their English novel Shiloh. They used a variety of materials and have created the most incredibly unique creations. Well done! School will close early next week Friday, erev Rosh Hashanah. Please see the details in the Dates to Diarise.

A reminder of the warmer weather and our "NO CAP NO PLAY" policy. Please also send extra water as wearing a mask can be dehydrating as well as for the warm weather.

Wishing you all a Shabbat Shalom.

Mrs Lara Salkinder
